2024 key figures

83,000
employees

68 countries
A global footprint

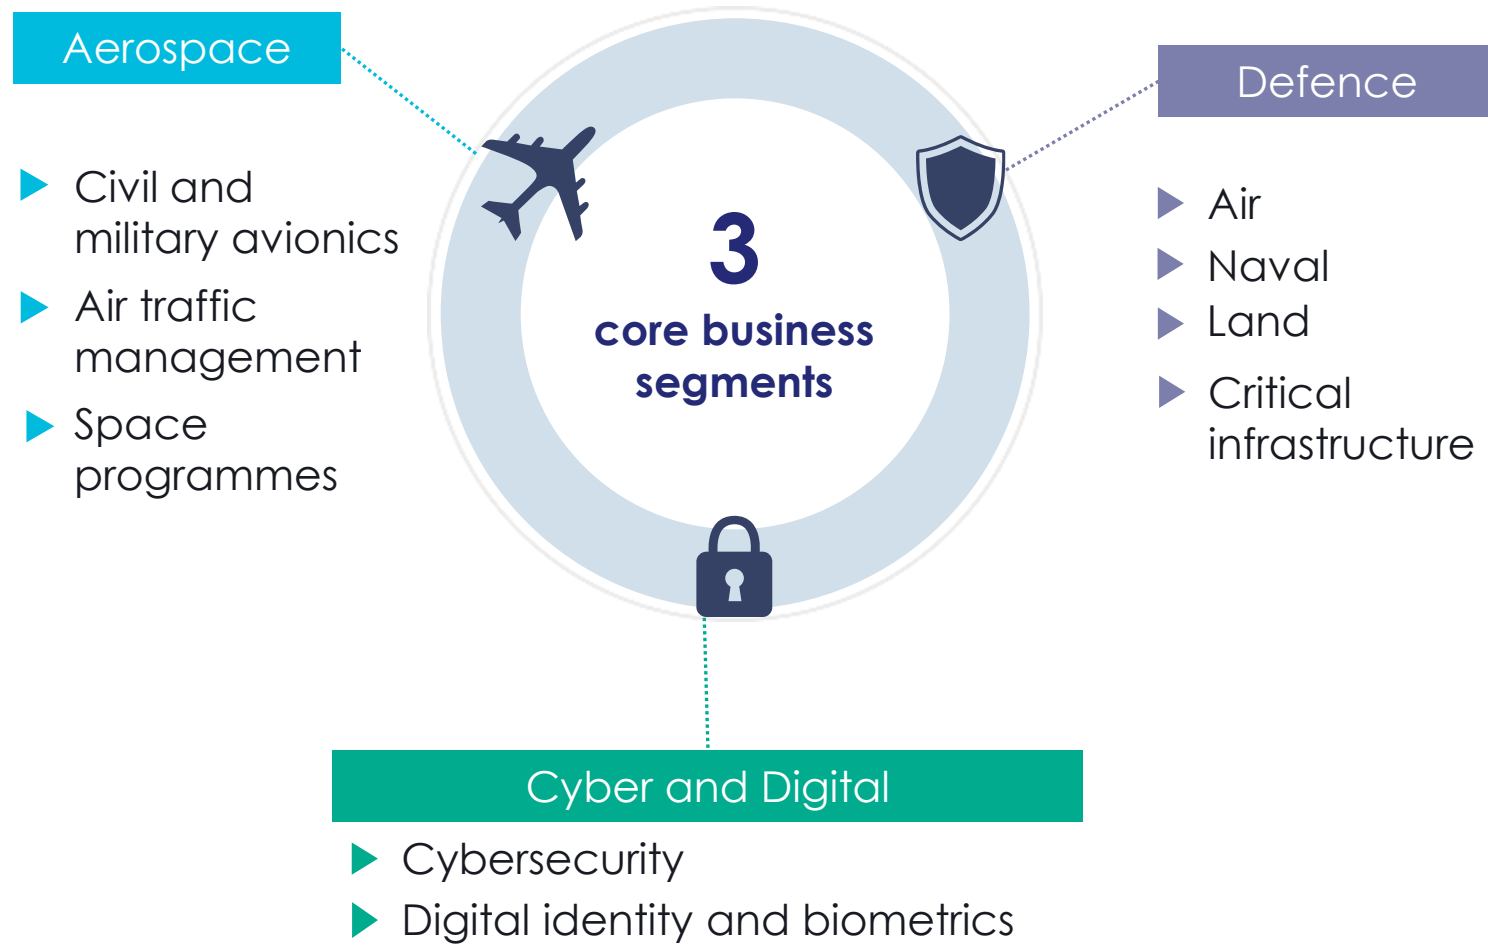

More than **€4 bn***
* including €1,1 bn
in self-funded R&D

€20.6 bn
revenues

Three core business segments

EMPOWER CUSTOMERS TO FACE THEIR DECISIVE MOMENTS WITH CONFIDENCE

Technologies to make the world safer, greener and more inclusive

SAFER

Protecting people from physical and cyber threats

GREENER

Reducing our customers' environmental impact and building solutions to observe and understand climate phenomena

MORE INCLUSIVE

Supporting universal access to basic rights (right to a legal identity, access to digital technology)

Air defence solutions for Ukraine

Purefly Flight Management System selected by Airbus

SATRIA satellite connecting 17,500 Indonesian islands

PARADE drone countermeasures system for large events

Major contributor to 5 of the 6 new Copernicus missions

Voice Payment Card for blind and visually impaired people

Aerospace

2 million passengers use Thales **in-flight entertainment and connectivity systems** every day.

Thales Alenia Space provides **50%** of the pressurised volume of the **International Space Station**.

2/3 of the world's aircraft rely on Thales equipment to **take off and land**.

With projects such as **FlytX**, Thales is developing **flight path optimisation solutions** to reduce aircraft **CO₂** emissions by 10%.

Defence

50+ countries
rely on Thales
equipment to
protect their
populations and
territorial integrity.

800,000+
Thales tactical radios
in service in **more
than 50 countries**.

Thales systems and
equipment account for
close to **25%** of
the total value of the
Rafale combat aircraft.

Thales is deploying **collaborative combat** solutions to
augment the capabilities of soldiers, vehicles and
sensors in real time.

Cyber & Digital

30,000+
companies use our
technologies to
manage identities
and secure data.

\$5 trillion
interbank fund transfers
secured every day.

300+
government
programmes for official
identity, biometrics and
law enforcement.

The **acquisition of Imperva** makes Thales one of the **world's top five cybersecurity providers** and affirms the Group's **leadership ambitions** in this market.
